Total Nitrogen (N).....	1.00%
1.00% Water Soluble Nitrogen	
Soluble Potash (K <sub>2</sub> O).....	20.00%
Derived from: Potassium Phosphite and Protein Hydrolysate	
F002121	

**Macro-PHITE** is a proprietary blend of nitrogen derived, in part, from protein hydrolyzed to its constituent amino acids and supplemental potassium derived from potassium phosphite. Contains no available phosphate.

**Rate:**

Apply 1.0–1.5 oz. per 1000 sq. ft. every 14–21 days for maintenance applications. Apply 1.5–2.0 oz. per 1000 sq. ft. every 7–14 days when environmental conditions favor turfgrass stress. Apply with enough water to uniformly distribute Macro-PHITE to turf canopy.

# MACRO-SORB<sup>®</sup> DEFENDO<sup>™</sup>

## MACRO-PHITE<sup>™</sup> 1-0-20

NET CONTENTS 33.8 FL OZ (1 LITER)  
NET WEIGHT 3.13 LB (1.4 KG)

**THIS CONTAINER TREATS UP TO 0.78 ACRES**

Do not apply near water, storm drains or drainage ditches. Do not apply if heavy rain is expected. Apply this product only to your lawn/turf, and rinse any product that lands on the driveway, sidewalk or street back onto the lawn/turf.

Macro-PHITE is tank mix compatible with most soluble fertilizers, insecticides, herbicides, fungicides or plant growth regulators. If you are unsure of the compatibility of your specific tank mix, conducting a standard jar test prior to mixing is recommended. It is recommended not to apply Macro-PHITE with applications of phosphates or highly alkaline compounds.

This product is intended as a supplement to a regular fertilization program and may not, by itself, provide all the nutrients normally required by plants. A lawn will typically utilize 1 to 4 lbs. of nitrogen per 1000 sq. ft. per growing season. When used as directed, this product will supplement your regular fertilizer program by providing 0.0009 to 0.0018 lbs. of nitrogen per 1000 sq. ft. Consult your local extension office for questions regarding a regular fertilization program.

**Limited Warranty:** Seller offers for sale the product Macro-PHITE. There are no warranties of merchantability of fitness for a particular purpose which extend beyond the description of the product in this label and liability of Seller is limited to replacement of any product which does not meet these specifications. Suggestions for use and information on results obtained with its use are assumed by the manufacturer to be reliable. Since conditions of use are outside the control of Seller, the buyer is responsible for all results, including injury and damage stemming from the use of this product alone or in combination with other materials.

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.aapfco.org/metals.html>

Information concerning the raw materials composing this product can be obtained by writing to the Guarantor listed on this box, and referring to the batch number found on this container.

**DANGER: Harmful if swallowed. May be corrosive to metals. Causes serious eye damage.**

**First Aid:**

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists get medical attention.

**Precautionary Statements:**

**KEEP OUT OF REACH OF CHILDREN.** Do not eat, drink, or smoke when using this product. Wash thoroughly after handling. Wear protective gloves and eye/face protection. Safety data sheet available on request.

Use product only as directed.

**Storage:** Store in a well-ventilated space. Keep container tightly closed. Keep cool.

**Disposal:** Dispose of contents/container in accordance with local/national regulations.
